

NONDISCRIMINATION POLICY

“It is the policy of the Decatur County School System not to discriminate on the basis of sex, race, national origin, creed, age, marital status, or disability, in its educational programs, activities, or employment policies as required by Titles VI and VII of the 1964 Civil Rights Act, Title IX of the 1972 Educational Amendments and Section 504 of the Federal Rehabilitation Act of 1973.

It is also the policy of this district that the curriculum materials utilized reflect cultural and racial diversity present in the United States and in the variety of careers, roles, and lifestyles open to women as well as men in our society. One of the objectives of the total curriculum and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of sex, race, ethnicity, religion, and disability. The curriculum should foster respect and appreciation for the cultural diversity found in our country and an awareness of the rights, duties, and responsibilities of each individual as a member of a pluralistic society.”
